## INSTRUCTIONS FOR PREPARATION OF EMPLOYEES SCHEDULED FOR MEDICAL EXAMINATION

### 1. References:

- a. Chapter 15, MLC
- b. Inclosure 16, MLC Standing Instructions to COR
- c. Chapter I and VI, MC
- d. Supplement #7, IHA
- e. Procedures to Supplement #7, IHA

### 2. General:

This form will be prepared by COR or IHAR and submitted in June and February of each year in original and one copy to MOD through the Service Command concerned. The MOD, upon receipt, will return a duplicate copy to the Service Command concerned.

### 3. Entries in numbered blocks (self-explanatory blocks omitted):

- a. Block 2: Indicate the report is for June or February
  - b. Block 3 and 3a: See the provision on types of medical examinations and immunizations in references of paragraph 1, above. For lines I.k and II.k indicate in remarks, or on a separate sheet appropriate work number for type of work being performed by employees. (See Annex Table 1 to Regulation for Prevention of Particular Chemical Substances Hazards in references 1b and 1e, above).
  - c. Block 4 & 4a: Enter the number of MLC, IHA, or MC employees who need medical examinations and immunizations during the next Japanese fiscal year (JFY). Indicate the next JFY as JFY 1998, JFY 1999, etc. Japanese fiscal year begins 1 April and ends 31 March.
4. If space on the form is insufficient to include all of the required information, attach separate sheets thereto and insert a notation in the proper block(s) indicating the inclosure.
